Recreation@Walpole-ma.gov

December 21, 2017

Dear Walpole Recreation families –

With winter already upon us, we would like to take a moment to remind our valued customers about the Recreation Department's process for scheduling programming during inclement winter weather.

In the event of inclement winter weather, please note that all Walpole Recreation programs and activities will mirror the decision made by Walpole Public Schools:

- If Walpole Public Schools are cancelled for the day, all Walpole Recreation programs and activities will also be cancelled for the day.
- If there is a delayed opening for Walpole Public Schools, the Recreation Department will evaluate weather conditions, make a determination, and notify registrants as soon as possible.
- If inclement weather occurs while school is *not* in session (such as in the afternoon/evening, on the weekends, or during school vacation) the Recreation Department will evaluate weather conditions, make a determination, and notify registrants as soon as possible.

In the event that programs are cancelled, a notice will be sent out to registrants via email and placed in the banner of our website at [www.walpolerec.com](http://www.walpolerec.com).

The Recreation Department will attempt to reschedule missed classes to the best of its ability at the end of the program session.
